

Bollettino di agosto

2024

Dear Dante friends,

This month there is a range of events on offer - creative, culinary and historical!

Flavio Villani presents a fascinating programme of piano works for four and six hands along with Matteo Napoli and Camila Oliveira, which is bound to entertain!

Then at the end of the month our Colazione features a special talk from Giulia Borelli from the podcast Italian Time Zone, in which she asks: How Did Italy Become A Republic?

Looking forward to September, Sapori d'Italia is offering a fabulous wine tasting event with 150 Italian wines. There is a special offer for Dante members too: details [here](#).

A presto!
